#### Attention, June Brides and Grooms!

Purniture, being one of the very first investments of every young couple, should be chosen with care or your choice will be "repented at leisure." The first thing to consider about the furniture for your new home is that you are going to live with it for a long time. Also because of the amount of the Investment required your selection should be made with care.

There is too much involved in furnishing a home for one not to use the utmost care in choosing not only the furniture itself, but the dealer from whom you buy. Why not make your choice at this store? You want quality. choice at this store? You want quanty, you want value and often liberal terms of payment spread over a great many months, and that's exactly what we have to offer. Come, look through our stock. You will not be urged to buy.
